

The 11th Armenian Medical World Congress (AMWC) will offer **9 Continuing Dental Education credits for all dental participants.**

"This is a fantastic opportunity for dental health professionals to showcase their knowledge and expertise to other dental professionals from around the world," says Armond Kotikian, DDS, MD, and Dental Breakout Session Chair of the 11th AMWC.

Topics of the Breakout Sessions will include:

General Dentistry
Prosthodontics
Oral and Maxillofacial Surgery
Endodontics
Orthodontics
TMJ

As a courtesy, abstract authors will be notified prior to May 1, 2013 of their abstract acceptance in order to take advantage of the advanced registration pricing.

"The 11th AMWC will be featuring prominent speakers from Coast to Coast and beyond including Armenia," says Ruben Zarian, DDS, Dental Breakout Sessions Co-Chair of the 11th AMWC and former President of the Armenian Dental Society of California. "With only a few weeks away, we welcome and encourage all dental health professionals to submit their abstracts for review."

Advanced registration for the 11th Armenian Medical World Congress ends on May 1, 2013. For more information and to submit your abstract please visit our website at www.aamsc.com/congress
