Armenian American Medical Society

Presents

"California Dental Law & Infection Control"

Presenter

Stewart R. Balikov, D.D.S.
National Dental Director, Utilization Management
Dental Director, Aetna Dental of California Inc

Date: Wednesday, February 25 2015 @ 7:00 PM
Place: Phoenicia Restaurant
343 N. Central Avenue
Glendale, CA

Target Audience: Dental Healthcare Professionals

California Dental Practice Act:

This seminar meets the California Dental Board Requirement for mandatory continuing education on the Dental Practice Act with emphasis on recent changes in the law, including the scope of practice, utilization of auxiliaries and reporting duties regarding Child and Elder abuse. Acts in violation of the Dental Practice Act will also be considered, as well as the penalties that the Dental Board has the power to impose.

Upon completion of the course, the participant will be able to:

Define the scope of practice

Understand the requirement for renewal of a license

Understand the appropriate duties of auxiliaries in a dental practice

Understand both the Child Abuse and Neglect Reporting and Elder Abuse and Dependent Adult Civil Protection Acts

Infection Control

This program is designed to help the dental professional become current in the areas of office safety and infection control, review the mandated minimum standards for infection control in the dental setting from the Dental Board of California regulations. This course will satisfy the California Board of Dental Examiners' requirements for Infection Control

Upon completion of the course, the participant will be able to:

Identify Standard precautions

Understand the difference between levels of infection control

Identify Personal Protective Equipment

- The Armenian American Medical Society is accredited by the Dental Board of California to provide continuing dental education. The Armenian American Medical Society designates this live activity for a maximum of (4) hours of Continuing Dental Education.
