

MEDI-MEDI CONVERSION DISCUSSION HELD BY AAMS

Dear Members,

We are pleased to invite all our members to attend a special meeting with the California Medical Association (CMA) with respect to the State of California's plan to move dual-eligible (medi-medi) patients into HMOs. As you are well aware, this issue is of great importance to our medical community.

The special meeting that you are invited to attend will be held at **Glendale Adventist Hospital's auditorium on June 6th at 7pm.**

Senior CMA officials will provide the latest developments on the State of California's plan to move dual-eligible (medi-medi) patients into HMOs. Details are still emerging regarding this vital matter on a weekly basis.

This will be followed by a question and answer session with CMA representatives.

We will have information available to you as to what can be done from our end. In addition we must educate our patients as to how they will be impacted.

Lastly, we will be arranging meetings with our local elected officials and will need your help and participation on this matter.

Please be sure to save the date **Wednesday June 6 at 7 pm.**
