- Gather Diagnostic Data and Treat Plan in Prosthodontics
- Understand the Nuts and Bolts of Implant Systems
- Sequence the Implant Restoration in Fixed Prosthodontics
 - Select the Best Abutments
- Make long and short term Implant Provisionals

Target Audience: Dental Healthcare Professionals

The Armenian American Medical Society is accredited by the Dental Board of California to provide continuing dental education. The Armenian American Medical Society designates this live activity for a maximum of (3) hours of Continuing Dental Education.

Dr. Tony Daher began practicing dentistry in California in 1982 and his love for teaching promoted him to earn in 1984 a Master's of Science degree in Medical Education from the University of Southern California (USC).

Dr. Daher received a postgraduate certificate in Prosthodontics in 1988 from the University of California at Los Angeles (UCLA). He is the past clinic director for the international student program at U.S.C. in 1991; and past director of the Graduate Prosthodontic Program in Loma Linda University. Dr. Daher is currently a Clinical Associate Professor of Prosthodontics in the Center for Prosthodontics and Implant

Dentistry at Loma Linda University (LLU). He has written many scientific and clinical articles, and has lectured nationally and internationally on the subject of Prosthodontics.

Dr. Daher maintains a private practice limited to Prosthodontics in LaVerne, California.

He is a Diplomate of the American Board of Prosthodontics, a Fellow in the American College of Prosthodontists, and an active member in numerous organizations including the Pacific Coast Society for Prosthodontics, the Academy of Osseointegration, the International College of Prosthodontics, the American Dental Association, the California Dental Association and the Tri-County Dental society.

AAMS Members: free admission. Non-members: \$30 per person. Dr. Daher is a researcher for GDI.

Accommodations for disabled. RSVP by February 17, 2014: email info@aamsc.com or tel (818) 980-7777.
