Removable Prosthetics in 3D"

3 CDE CREDITS OFFERED

Presenter

Yaron Gabel DDS

Date: Wednesday, November 12, 2014

6:30 PM - Networking

7 PM SHARP - Presentation

8:30 PM - Q & A Session

Phoenicia Restaurant

343 N. Central Avenue

Glendale, CA

This presentation will describe and illustrate how to:

1. Take ideal impressions for making complete dentures with 3-D ready trays
2. Make an accurate centric occlusion record with minimal setup time
3. Streamline denture delivery in 2 visits with accurate VD, CR and Bite Registration
4. Evolve from traditional fabrication methods to time-saving CAD/CAM denture fabrication procedures.

Dr. Yaron Gabel Krumholz, DENTCA's Clinical Advisor, is a certified subject matter expert on DENTCA's CAD/CAM Removable Prosthetics Solution. Prior to joining DENTCA, Dr. Gabel received his D.D.S Degree from the Universidad Tecnológica de

México in 2009, and was Dental Director and Owner of Clinica Odontologica Integral Dental Clinic in Mexico. At CIT College, Dr. Gabel served as the course Instructor in training residents for clinical practice. At DENTCA, Dr. Gabel focuses his time on lecturing and providing hands-on training to individual doctors, academia, group practices, and other dental professionals about DENTCA's digital denture system.

AAMS Members: free admission. Non-members: \$30 per person. Accommodations for disabled. RSVP by November 5, 2014: email info@aamsc.com or tel (818) 980-7777.
