Diana Messadi, D.D.S., [M.M.Sc.](#), [D.M.Sc.](#) is a professor in the Section of Oral Medicine in the Division of Oral Biology & Medicine at the UCLA School of Dentistry. She also serves as chair of the Section of Orofacial Pain & Oral Medicine and Associate Dean for Education and Faculty Development. Dr. Messadi received her Bachelor of Dental Surgery (B.D.S., D.D.S), in 1979 from the Faculty of Dentistry, Alexandria University, Egypt. From 1979-1980 she was a Dental Intern in Alexandria University Faculty of Dentistry. In 1980, she

was appointed as a Lecturer in the Oral Pathology Department at Alexandria University Faculty of Dentistry. In 1982 she traveled to the USA to pursue her postdoctoral training; she obtained a Master of Medical Sciences, (MMSc) (1985) from Harvard School of Dental Medicine, a Certificate in Oral Pathology and Oral Medicine (1985) from Harvard School of Dental Medicine. And a Doctorate of Medical Sciences in Oral Biology, (DMSc) in 1987, also from Harvard School of Dental Medicine. Her Doctorate thesis won the HSDM James Shaw Award for the most outstanding thesis in the biomedical sciences submitted that year. From 1987-1990, she went back to Egypt and was appointed as an Assistant Professor of Oral Pathology at the Faculty of Dentistry, Alexandria University. In 1990 she came back to the USA with her husband and she started working at UCLA School of Dentistry. She is currently Professor and Chair, Section of Oral Medicine and Orofacial Pain in the Division of Oral Biology and Medicine, she is also the Co-Director of the Student Oral Medicine Clinic and Co-Director of the Oral Medicine Faculty Group Practice.
