After completing his training, Dr. Garabedian moved to New Jersey where he practiced the full scope of Oral and Maxillofacial Surgery for seven years with an emphasis on complex implant reconstructive surgery, bone grafting, facial trauma, wisdom teeth extraction and office anesthesia. Dr. Garabedian and his family then moved back to Southern California where he joined his longtime friend and colleague to establish their new state-of-the-art practice in Glendale, California. Dr. Garabedian is on staff at Glendale Adventist Medical Center and St. Joseph Providence Hospital in Burbank California.

Dr. Garabedian is a Diplomat of the American Board of Oral and Maxillofacial Surgery and a Fellow of the American Association of Oral and Maxillofacial Surgeons (AAOMS).

Vicken Sepilian, MD MS FACOG

"Your Health" host Dr. Vicken Sepilian currently serves as the President of the Armenian American Medical Society. He is board-certified in Reproductive Endocrinology and Infertility, as well as Obstetrics and Gynecology. He completed his residency in Obstetrics and Gynecology at Drexel University College of Medicine in Philadelphia and his fellowship in Reproductive Endocrinology and Infertility at the University of Texas. Dr. Sepilian currently practices in Los Angeles and in Glendale.

Featuring physicians and health care professionals whose areas of practice cover the entire spectrum of allied health care, "Your Health" is a dynamic resource for viewers interested in improving their health. The program emphasizes the importance of preventative care, and focuses on how people can maintain a healthful lifestyle. The show provides an opportunity for the Armenian community to address their concerns with the counsel of bi-lingual health care professionals. The show also provides viewers with information about the AAMS and our activities in California and Armenia. The AAMS encourages individuals to contact local social workers to learn whether they are eligible for health insurance. AAMS doctors and nurses encourage their patients to get the insurance they deserve, and to see a physician regularly for the care that they need.
