

Dear Members and Friends,

I am happy to announce that starting Wednesday, January 18, 2012, "Your Health" television program will commence broadcasting on ARTN / Shant TV, from 7:00 to 7:30 pm. This dynamic educational program will air live every first and third Wednesday of each month.

Please tune in tonight and join me and Dr. Mireille Hamparian on a discussion on cataracts.

Vicken Sepilian, MD

Topic:

Cataracts

Guest:

Mireille Hamparian MD

Dr. Mireille Hamparian is a board-certified ophthalmologist and eye surgeon who specializes in glaucoma. Dr. Hamparian treats a wide variety of eye diseases, including cataracts. Her practice provides a special emphasis in treating glaucoma, from diagnosis to treatment, from medical therapy to lasers and surgery.

Dr. Hamparian earned her B.S. in Biochemistry at the University of California, Los Angeles and went on to earn her Doctorate of Medicine degree at Albany Medical College in New York. She concluded her fellowship in glaucoma at the University of Maryland after completing her residency in ophthalmology.

Dr Mireille Hamparian is a member of the American Academy of Ophthalmology, the American Glaucoma Society, California Medical Association, California Academy of Eye Physicians and Surgeons and the Armenian American Medical Society of Southern California.

"Your Health" host Dr. Vicken Sepilian

currently serves as the President of the Armenian American Medical Society of California. He is board-certified in Reproductive Endocrinology and Infertility, as well as Obstetrics and Gynecology. He completed his residency in Obstetrics and Gynecology at Drexel University College of Medicine in Philadelphia and his fellowship in Reproductive Endocrinology and Infertility at the University of Texas. Dr. Sepilian currently practices in Los Angeles and in Glendale.

Featuring physicians and health care professionals whose areas of practice cover the entire spectrum of allied health care, "Your Health" is a dynamic resource for viewers interested in improving their health. The program emphasizes the importance of preventative care, and focuses on how people can maintain a healthful lifestyle. The show provides an opportunity for the Armenian community to address their concerns with the counsel of bi-lingual health care professionals. The show also provides viewers with information about the AAMSC and our activities in California and Armenia. The AAMSC encourages individuals to contact local social workers to learn whether they are eligible for health insurance. AAMSC doctors and nurses encourage their patients to get the insurance they deserve, and to see a physician regularly for the care that they need.
