She was recently recruited to the Providence St. Joseph Breast Health Center in Burbank as a Staff Radiologist where the full-spectrum of diagnostic breast imaging services is provided to the community. Dr. Kazanjian is certified by the American Board of Radiology and is a member of the American College of Radiology, the American Roentgen Ray Society, the Los Angeles Radiological Society, and the Society of Breast Imaging.

Vicken Sepilian, MD FACOG

"Your Health" host Dr. Vicken Sepilian is a current board member and Past President of the Armenian American Medical Society. He is board-certified in Reproductive Endocrinology and Infertility, as well as Obstetrics and Gynecology. He completed his residency in Obstetrics and Gynecology at Drexel University College of Medicine in Philadelphia and his fellowship in Reproductive Endocrinology and Infertility at the University of Texas. Dr. Sepilian currently practices in Los Angeles and in Glendale.

Featuring physicians and health care professionals whose areas of practice cover the entire spectrum of allied health care, "Your Health" is a dynamic resource for viewers interested in improving their health. The program emphasizes the importance of preventative care, and focuses on how people can maintain a healthful lifestyle. The program provides an opportunity for the Armenian community to address their concerns with the counsel of bi-lingual health care professionals. The program also provides viewers with information about the AAMS and our activities in California and Armenia. The AAMS encourages individuals to contact local social workers to learn whether they are eligible for health insurance. AAMS doctors and

nurses encourage their patients to get the insurance they deserve, and to see a physician regularly for the care that they need.
