

Topic:

**Pulmonary Nodules and the Importance of
Diagnosis and Treatment**

Guest:

Lusine Simonyants, MD

Dr. Simonyants received her medical degree from Yerevan State Medical University in 1998. She completed her fellowship in Pulmonary and Critical Care at Penn State University where she also served as a Chief Fellow. Dr. Simonyants is triple board certified in Internal Medicine, Pulmonary Diseases and Critical Care. She is cofounder and co-owner of the Lung Center which is a specialized pulmonary center serving the Glendale and Burbank community for many years. She is an Assistant Professor of Medicine at Loma Linda University and currently practices at Glendale Adventist Medical Center, Glendale Memorial Medical Center, USC Verdugo Hills Hospital and has an outpatient clinic. Dr. Simonyants' expertise includes COPD, lung cancer, interstitial lung diseases, asthma, diagnostic bronchoscopy, sleep disorders, critical care and more. Dr. Simonyants is an active board member of the Armenian American Medical Society and Armenian American Chamber of Commerce. Dr. Simonyants served in the Medical Executive Board of Glendale Adventist Medical Center.

Vicken Sepilian, MD FACOG

"Your Health" host Dr. Vicken Sepilian is a current board member and Past President of the Armenian American Medical Society. He is board-certified in Reproductive Endocrinology and Infertility, as well as Obstetrics and Gynecology. He completed his residency in Obstetrics and Gynecology at Drexel University College of Medicine in Philadelphia and his fellowship in Reproductive Endocrinology and Infertility at the University of Texas. Dr. Sepilian currently practices in Los Angeles and in Glendale.

Featuring physicians and health care professionals whose areas of practice cover the entire spectrum of allied health care, "Your Health" is a dynamic resource for viewers interested in improving their health. The program emphasizes the importance of preventative care, and focuses on how people can maintain a healthful lifestyle. The program provides an opportunity for the Armenian community to address their concerns with the counsel of bi-lingual health care professionals. The program also provides viewers with information about the AAMS and our activities in California and Armenia. The AAMS encourages individuals to contact local social workers to learn whether they are eligible for health insurance. AAMS doctors and nurses encourage their patients to get the insurance they deserve, and to see a physician regularly for the care that they need.
