"Knee Arthritis and Treatment Options"

Guest:

Vahan Cepkinian, MD

Dr. Vahan Cepkinian M.D., is a board certified orthopaedic surgeon specializing in joint replacement with the latest treatment options in general trauma and sports medicine. Dr. Cepkinian received his medical degree from USC School of medicine, serving his residency at LAC/USC medical center. He is a Diplomate of the American board of Orthopaedic Surgery. He is a member of American Academy of Orthopaedic Surgery (AAOS); American Medical Association (AMA); and California Orthopaedic Association (AMA); USC Graduate Orthopaedic Society.

Dr. Cepkinian is committed to the highest quality of care for his patients. He believes that patient awareness and motivation are key factors in producing an excellent outcome and maintaining optimal function for everyday life.

Vicken Sepilian, MD FACOG

"Your Health" host Dr. Vicken Sepilian is a current board member and Past President of the Armenian American Medical Society. He is board-certified in Reproductive Endocrinology and Infertility, as well as Obstetrics and Gynecology. He completed his residency in Obstetrics and Gynecology at Drexel University College of Medicine in Philadelphia and his fellowship in Reproductive Endocrinology and Infertility at the University of Texas. Dr. Sepilian currently practices in Los Angeles and in Glendale.

Featuring physicians and health care professionals whose areas of practice cover the entire spectrum of allied health care, "Your Health" is a dynamic resource for viewers interested in improving their health. The program emphasizes the importance of preventative care, and focuses on how people can maintain a healthful lifestyle. The program provides an opportunity for the Armenian community to address their concerns with the counsel of bi-lingual health care professionals. It also provides viewers with information about the Armenian American Medical Society (AAMS) and its activities in California and Armenia. The AAMS encourages individuals to contact local social workers to learn whether they are eligible for health insurance. AAMS doctors and nurses encourage their patients to get the insurance they deserve, and to see a physician regularly for the care that they need.
