Armina Gharpetian, DDS

Dr. Armina Gharpetian practices dentistry in Glendale, California. After completing her undergraduate studies at UCLA, she moved to San Francisco to complete her dental education. She received her degree in Doctor of Dental Surgery (DDS) from University of the Pacific (San Francisco, CA) in 1997.

Dr. Gharpetian has been in private practice for over 16 years and has extensive experience in all aspects of dentistry. After receiving her training and certification from Align Technology (Invisalign), she has been focusing her practice primarily in Invisalign. Her fascination and passion in Invisalign has led her to become one of the first General dentists in Los Angeles area, providing primarily Invisalign in her practice. Dr. Gharpetian is a strong advocate of lifelong learning. She continually expands her knowledge and skills by attending various seminars and courses throughout the year.

Vicken Sepilian, MD FACOG

"Your Health" host Dr. Vicken Sepilian is a current board member and Past President of the Armenian American Medical Society. He is board-certified in Reproductive Endocrinology and Infertility, as well as Obstetrics and Gynecology. He completed his residency in Obstetrics and Gynecology at Drexel University College of Medicine in Philadelphia and his fellowship in Reproductive Endocrinology and Infertility at the University of Texas. Dr. Sepilian currently practices in Los Angeles and in Glendale.

Featuring physicians and health care professionals whose areas of practice cover the entire spectrum of allied health care, "Your Health" is a dynamic resource for viewers interested in improving their health. The program emphasizes the importance of preventative care, and focuses on how people can maintain a healthful lifestyle. The program provides an opportunity for the Armenian community to address their concerns with the counsel of bi-lingual health care professionals. It also provides viewers with information about the Armenian American Medical Society (AAMS) and its activities in California and Armenia. The AAMS encourages individuals to contact local social workers to learn whether they are eligible for health insurance. AAMS doctors and nurses encourage their patients to get the insurance they deserve, and to see a physician regularly for the care that they need.
