**Stent the Eye: a New and Innovative Treatment  
for Glaucoma**

*Guest:*

**Mireille Hamparian, MD**

**Dr. Hamparian, MD** is a board-certified ophthalmologist and eye surgeon who specializes in glaucoma. Dr. Hamparian treats a wide variety of eye diseases, including cataracts. Her practice provides a special emphasis in treating glaucoma, from diagnosis to treatment, from medical therapy to lasers and surgery. Dr. Hamparian earned her B.S. in Biochemistry at the University of California, Los Angeles and went on to earn her Doctorate of Medicine degree at Albany Medical College in New York. She concluded her fellowship in glaucoma at the University of Maryland after completing her residency in ophthalmology. Dr. Mireille Hamparian is a member of the American Academy of Ophthalmology, California Medical Association, California Academy of Eye Physicians and Surgeons and the Armenian American Medical Society.

---

Vicken Sepilian, MD FACOG

"Your Health" host Dr. Vicken Sepilian is a Past President of the Armenian American Medical Society. He is board-certified in Reproductive Endocrinology and Infertility, as well as Obstetrics and Gynecology. He completed his residency in Obstetrics and Gynecology at Drexel University College of Medicine in Philadelphia and his fellowship in Reproductive Endocrinology and Infertility at the University of Texas. Dr. Sepilian currently practices in Los Angeles and in Glendale.

Featuring physicians and health care professionals whose areas of practice cover the entire spectrum of allied health care, "Your Health" is a dynamic resource for viewers interested in improving their health. The program emphasizes the importance of preventative care, and

focuses on how people can maintain a healthful lifestyle. The program provides an opportunity for the Armenian community to address their concerns with the counsel of bi-lingual health care professionals. The program also provides viewers with information about the AAMS and our activities in California and Armenia. The AAMS encourages individuals to contact local social workers to learn whether they are eligible for health insurance. AAMS doctors and nurses encourage their patients to get the insurance they deserve, and to see a physician regularly for the care that they need.
