

Topic:

Advanced Rhinoplasty for Beauty and Function

Guest:

A. John Vartanian, M.D.

Dr. John Vartanian is a double board-certified facial plastic surgeon whose practice focuses mainly on rhinoplasty, revision rhinoplasty, and facial plastic surgery procedures. He is a graduate of the University of California at Irvine where he earned a B.S. with honors in biology. He then attended the Chicago Medical School and completed his residency in head and neck surgery at the University of Illinois at Chicago. He completed his fellowship in facial plastic and reconstructive surgery at the UCLA-affiliated Lasky Clinic in Beverly Hills, CA. Dr. John Vartanian is in private-practice in Glendale, CA, and he is also a clinical instructor at USC, Keck School of Medicine. He has been a co-investigator in several FDA studies of the dermal injectables Perlane, Juvederm, and Dysport. He has been named one of the best physicians in the area by the Pasadena Magazine several years running. Dr. John Vartanian has performed *pro-bono* pediatric facial and cleft lip/palate surgeries in Yerevan, Armenia, as well as treated victims of domestic abuse in LA on regular basis.

Vicken Sepilian, MD MS FACOG

"Your Health" host Dr. Vicken Sepilian currently serves as the President of the Armenian American Medical Society of California. He is board-certified in Reproductive Endocrinology and Infertility, as well as Obstetrics and Gynecology. He completed his residency in Obstetrics and Gynecology at Drexel University College of Medicine in Philadelphia and his fellowship in Reproductive Endocrinology and Infertility at the University of Texas. Dr. Sepilian currently practices in Los Angeles and in Glendale.

Featuring physicians and health care professionals whose areas of practice cover the entire spectrum of allied health care, "Your Health" is a dynamic resource for viewers interested in improving their health. The program emphasizes the importance of preventative care, and focuses on how people can maintain a healthful lifestyle. The show provides an opportunity for the Armenian community to address their concerns with the counsel of bi-lingual health care professionals. The show also provides viewers with information about the AAMSC and our activities in California and Armenia. The AAMSC encourages individuals to contact local social workers to learn whether they are eligible for health insurance. AAMSC doctors and nurses encourage their patients to get the insurance they deserve, and to see a physician regularly for the care that they need.
