

The Armenian American Medical Society has organized a full day of educational and networking opportunities. Attendees will be eligible to receive a maximum of (10) AMA PRA Category 1 Credits or (6) Continuing Dental Credits (CDE).

Below is another example of one of the exceptional talks we have lined up for you:

Dr. Harry Balian received his Medical degree from Chicago Medical School in 1997. He completed his Internal Medicine Residency at the University of California, Irvine where he also served as Chief Resident. He completed his Cardiology fellowship at the University of California, Irvine where he served as Chief Fellow. Dr. Balian completed his Interventional Cardiology and Vascular training at the George Washington

University in Washington DC. Dr. Balian specializes in the treatment of heart disease, coronary artery percutaneous interventions and pacemaker insertions. He also performs peripheral vascular interventions including carotid stents, endovascular abdominal aortic aneurysm stents, renal stents and lower extremity angioplasties. Dr. Balian is board certified in Internal Medicine, Cardiovascular Diseases, Nuclear Cardiology, Interventional Cardiology and Vascular Medicine. Dr. Balian is a member of the Executive Committee of AAMS since 2006. He is a fellow of the American College of Cardiology, the Society of Coronary angioplasty and Interventions and the American Heart Association. He has been the Medical Director of the Cardiac Cath Lab at Glendale Adventist Heart & Vascular Institute since 2006 and recently named the Medical Director of the Peripheral Vascular Lab at St Vincent Hospital. He is an Associate Clinical Professor at Western University School of Medicine. We are delighted to have

Dr. Harry Balian speak to the AAMS community on the following topic: "**Percutaneous Approach to Complex Cardiac Conditions.**"
