AAMS IN ACTION

Glendale Health Festival

2018 was a banner year for the AAMS and we would like to share with you some of our important accomplishments. We have provided our community with vital healthcare resources, celebrated the 10th anniversary of the "Your Health" television program, offered important medical education programs to our members, and so much more. It is because of the dedication and support of our members that we are able to fulfill our mission and make such a significant impact on our community. Thank you for your ongoing support. We look forward to continuing to work together in the year ahead!

Click here to [read our newsletter](#) and view the events, programs and faces that make the AAMS so successful. You won't want to miss a single moment of the AAMS in Action!
