Advances in Acute Stroke Treatment: Extending the Time Window

Guest:

Mikayel Grigoryan, MD

Mikayel Grigoryan, MD is a Board-Certified vascular and interventional neurologist. He received his MD degree from Yerevan State Medical University in 1998, after which he moved to United States to pursue a postdoctoral research fellowship at the University of California, San Francisco. Subsequently, he completed his Neurology residency training at University of Iowa, a Vascular Neurology fellowship at Stanford University, and an Endovascular Surgical Neuroradiology fellowship at University of Minnesota. Dr. Grigoryan specializes in the treatment of cerebrovascular diseases (eg, stroke), endovascular cervicocerebral (eg, carotid stenting, thrombectomy, and aneurysm treatment) as well as spinal interventions. Dr Grigoryan is the Medical Director of Neurointerventional Program at Glendale Adventist Medical Center and has authored over 40 peer-reviewed publications. He is a member of the American Heart/Stroke Association, American Academy of Neurology, and also serves as a Board Member for the Society of Vascular and Interventional Neurology.

Vicken Sepilian, MD FACOG

"Your Health" host Dr. Vicken Sepilian is board-certified in Reproductive Endocrinology and Infertility, as well as Obstetrics and Gynecology. He completed his residency in Obstetrics and Gynecology at Drexel University College of Medicine and his fellowship in Reproductive Endocrinology and Infertility at the University of Texas. While at the University of Texas, Dr. Sepilian received a Master of Science degree in Reproductive Medicine studying the impact of nutrition on reproductive health. Dr. Sepilian is the founder and medical director of American Fertility Specialists Medical Group and practices in Los Angeles and Glendale. Dr. Sepilian is the former President of the Armenian American Medical Society (AAMS). In 2008, he launched the AAMS "Your Health" Community Education Program that continues to air live on TV making house calls to countless Armenian households. In 2010, Dr. Sepilian was instrumental in

launching the inaugural Glendale Health Festival and served as the Chairman of the organizing committee for the first two years. In 2012, Dr. Sepilian presided over a collaborative effort with colleagues in Canada of the ACMAO to train, staff and equip the Women's Health Clinic in Stepanakert, Artsakh. This collaborative effort by the AAMS, ACMAO, and the Ministry of Health of Karabagh continues to operate and provide preventative and essential health care to women free of charge. In 2013, as president of the AAMS, Dr. Sepilian Chaired the 11th Armenian Medical World Congress, a quadrennial international multispecialty conference that was very well attended and was one of the most successful ones to date. Dr. Sepilian currently serves on the Continuing Medical Education Committee, focusing his efforts on enhancing the experience for members.

Featuring physicians and health care professionals whose areas of practice cover the entire spectrum of allied health care, "Your Health" is a dynamic resource for viewers interested in improving their health. The program emphasizes the importance of preventative care, and focuses on how people can maintain a healthful lifestyle. The program provides an opportunity for the Armenian community to address their concerns with the counsel of bi-lingual health care professionals. The program also provides viewers with information about the AAMS and our activities in California and Armenia. The AAMS encourages individuals to contact local social workers to learn whether they are eligible for health insurance. AAMS doctors and nurses encourage their patients to get the insurance they deserve, and to see a physician regularly for the care that they need.
