The Latest on COVID-19, an interview with George Melikian, MD, MPH, Infectious Diseases Specialist and Professional Statistician

George Melikian, MD, MPH is a Board certified physician (in infectious diseases and internal medicine), medical director, and professional statistician. He received his masters degree in infectious disease epidemiology and biostatistics from Yale University and his medical degree from New York Medical College. He completed his medicine residency at the University of Rochester, Strong Memorial Hospital, and his specialty training in infectious disease medicine at Stanford University School of Medicine. Since that time, he has practiced medicine in several roles. Serving as attending physician regional medical director for AIDS Healthcare Foundation, he has successfully managed over 40 specialty clinics in HIV/AIDS healthcare. He is also Principal Investigator on numerous clinical research studies. Dr. Melikian is currently director of infectious disease at Facey Medical Group.

"Your Health" host Dr. Vicken Sepilian is board-certified in Reproductive Endocrinology and Infertility, as well as Obstetrics and Gynecology. He completed his residency in Obstetrics and Gynecology at Drexel University College of Medicine and his fellowship in Reproductive Endocrinology and Infertility at the University of Texas. While at the University of Texas, Dr. Sepilian received a Master of Science degree in Reproductive Medicine studying the impact of nutrition on reproductive health.

Dr. Sepilian is the founder and medical director of American Fertility Specialists Medical Group and practices in Los Angeles and Glendale. Dr. Sepilian is the former President of the Armenian American Medical Society (AAMS). In 2008, he launched the AAMS "Your Health" Community Education Program that continues to air live on TV making house calls to countless Armenian households. In 2010, Dr. Sepilian was instrumental in launching the inaugural Glendale Health Festival and served as the Chairman of the organizing committee for the first two years. In 2012, Dr. Sepilian presided over a collaborative effort with colleagues in Canada of the ACMAO to train, staff and equip the Women's Health Clinic in Stepanakert, Artsakh. This collaborative effort by the AAMS, ACMAO, and the Ministry of Health of Karabagh continues to operate and provide preventative and essential health care to women free of charge. In 2013, as president of the AAMS, Dr. Sepilian Chaired the 11th Armenian Medical World Congress, a quadrennial international multispecialty conference that was very well attended and was one of the most successful ones to date. Dr. Sepilian currently serves on the Continuing Medical Education Committee, focusing his efforts on enhancing the experience for members. Dr. Sepilian currently serves on the AAMS' Executive Committee.

Featuring physicians and health care professionals whose areas of practice cover the entire spectrum of allied health care, "Your Health" is a dynamic resource for viewers interested in improving their health. The program emphasizes the importance of preventative care, and focuses on how people can maintain a healthful lifestyle. The program provides an opportunity for the Armenian community to address their concerns with the counsel of bilingual health care professionals. The program also provides viewers with information about the AAMS and our activities in California and Armenia. The AAMS encourages individuals to contact local social workers to learn whether they are eligible for health insurance. AAMS doctors and nurses encourage their patients to get the insurance they deserve, and to see a physician regularly for the care that they need.
