

New Innovations in the Management of Atrial Fibrillation

Interview with Harry Balian, MD, FACC, FSCAI

Dr. Harry Balian received his Medical Degree from Chicago Medical School in 1997. He completed his Internal Medicine Residency at the University of California, Irvine where he also served as Chief Resident. Completed his Cardiology fellowship at the University of California, Irvine where he served as Chief Fellow. Dr. Balian completed his Interventional Cardiology and Vascular training at the George Washington University in Washington DC. Dr. Balian specializes in the treatment of heart disease, coronary artery percutaneous interventions and pacemaker insertions. He also performs peripheral vascular interventions including carotid stents, endovascular abdominal aortic aneurysm stents, renal stents and lower extremity angioplasties. Dr. Balian is board certified in Internal Medicine, Cardiovascular Diseases, Nuclear Cardiology, Interventional Cardiology and Vascular Medicine. Dr Balian is the Chairman of department of cardiology since 2015 and the Director of Structural Heart Program at Glendale Adventist, he started the TAVR (percutaneous aortic valve replacement) program since 2016. Dr. Balian is and has been a member of the Executive Committee of AAMS Since 2006. He is a fellow of the American College of Cardiology, the Society of Coronary angioplasty and Interventions and the American Heart Association. He has been the Medical Director of the Cardiac Cath Lab at Glendale Adventist Heart & Vascular Institute since 2006 and past Medical Director of the Peripheral Vascular Lab at St Vincent Hospital. He is an Associate Clinical Professor at Western University School of Medicine.

Dr. Vicken Sepilian is a Reproductive Medicine specialist and is the founder and director of American Fertility Specialists Medical Group. He is double board-certified in Reproductive Endocrinology and Infertility, as well as Obstetrics and Gynecology. Dr. Sepilian has been an active member of the Armenian American Medical Society (AAMS) holding multiple leadership positions, including serving as the President from 2009 to 2013. Dr. Sepilian served as the Chairman of the 11th Armenian Medical World Congress and currently is the President of the Armenian Medical International Congress (AMIC), a nonprofit organization with chapters all over the world, with the aim of coordinating global efforts in improving healthcare in Armenia. Passionate about community education, in 2008, Dr. Sepilian launched the "Your Health" educational TV program aimed at sharing with the community the latest and most important healthcare topics. Since 2008, the show has been making house calls to tens of thousands of viewers helping educate them on preventative care and healthy lifestyles. In 2010, Dr. Sepilian, alongside other civic leaders and the former Mayor of the City of Glendale co-founded the Glendale Health Festival. Dr. Sepilian worked closely with city and state officials and local hospitals to organize this large-scale event with the aim to improve the health of the community. Dr. Sepilian is a strong

believer that success and wealth are measured by life's experiences and human interactions and that true happiness and purpose are achieved by giving. Cherished memories include debates about life and death with Dr. Jack Kevorkian, delivering pens to students in villages in Sri Lanka and teaching chess to orphans in Nepal.
