**GIVING AN ARMENIAN
HEALTHCARE STUDENT
THE GIFT OF AN EDUCATION
GIVES ARMENIA THE GIFT
OF GOOD HEALTH.**

The members of the AAMS strongly believe in the importance of supporting and encouraging young students on their journey to become healthcare providers. The new AAMS scholarship program will do just that, by providing eligible students in Armenia with full tuition to cover the entire five years of tuition for a professional healthcare school in Armenia. Your gift will nurture and support Armenia's next generation of healthcare providers.
