

## **2022 Conflict of Interest Policy for Invited Speakers**

As a provider of continuing medical education (CME) accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Armenian American Medical Society must ensure balance, independence, objectivity and scientific rigor in all its educational activities. All presenters must disclose to the learners any commercial or financial interest and/or other relationships with manufacturers of pharmaceuticals, laboratory supplies and/or medical devices. All relationships, whether or not they directly relate to this CME activity, must be disclosed. All non-FDA approved uses of products must be clearly identified. Disclosures may be made in the form of slide, printed material or an oral statement.

The intent of this disclosure is not to prevent a speaker with a commercial or financial interest from making a presentation. The intent rather is to assist the Armenian American Medical Society (AAMS) in resolving conflicts of interest and to provide learners with information on which they can make their own judgments regarding any bias. Although AAMS reviews and resolves potential conflicts of interest, it remains for the audience to determine whether the speaker's interest or relationships may influence the presentation with regard to exposition or conclusion.

Speakers should also reveal to the learners any "off label" uses (not approved by the FDA) of any drugs or products discussed.

### **The Accreditation Council for Continuing Medical Education (ACCME)**

The Armenian American Medical Society is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

### **Scientific Program Designation Statement**

- The Armenian American Medical Society is accredited by the Institute for Medical Quality/California Medical Association (IMQ/CMA) to provide continuing medical education for physicians.
- The Armenian American Medical Society designates this live activity for maximum of (9) hours *AMA PRA Category 1 Credit(s)*<sup>TM</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
- This credit may also be applied to the CMA Certification in Continuing Medical Education.
- The Armenian American Medical Society is accredited by the Dental Board of California to provide continuing dental education. The Armenian American Medical Society designates this live activity for maximum of (9) hours of Continuing Dental Education.

Continuing medical education is a lifelong learning modality enabling physicians to remain current with medical advances. The goal of AAMS is to design educational activities that provide learners with the tools needed to practice the best medicine and provide the most current care to patients.

As an accredited CME provider, AAMS adheres to the Essentials and Policies of the Accreditation Council for Continuing Medical Education (ACCME). CME activities now must first, address specific, documented, clinically important gaps in physician knowledge, competence or performance, second, be documented to be effective at increasing physician knowledge, skill or performance, and third, conform to the ACCME Standards for Commercial Support.

AAMS must not only obtain complete disclosure of commercial and financial relationships pertaining to medicine but also resolve any perceived conflicts of interest. All speakers and the organizers in the Scientific Program have completed disclosures of commercial and financial relationships with manufacturers of pharmaceuticals, laboratory supplies and medical devices and with commercial providers of medically-related services. The disclosures were reviewed by the CME Committee for Standards of Commercial Support of the AAMS CME Committee, which resolved perceived potential conflicts of interest.

#### **ADA Statement**

The Armenian American Medical Society fully complies with the legal requirements of the ADA and the rules and regulations thereof. Accommodations for Disabilities: please notify the AAMS if a reasonable accommodation of a disability is needed.

#### **Disclaimer Statement**

The content and views presented in this educational activity are those of the speaker/authors and do not necessarily reflect those of the AAMS. This material is prepared based upon a review of multiple sources of information, but it is not exhaustive of the subject matter. Therefore, healthcare professionals and other individuals should review and consider other publications and materials on the subject matter before relying solely upon the information contained within this educational activity to make clinical decisions about individual patients.

All authors, editors, reviewers, contributors, publishers, and licensors of the clinical information are not responsible for the completeness or accuracy of the clinical information for any errors, omissions, or the application of the clinical information, or for any consequences arising therefrom.
