

Spring is in the Air

Interview with Sherwin Hariri, MD, FAAAAI, FACAAI

Dr. Sherwin Hariri is a board-certified allergist & immunologist in Beverly Hills, CA. He completed his undergraduate studies at the University of California, Los Angeles (UCLA), where he received his BS with a major in physiological sciences and a minor in Armenian Studies. He received his Doctorate of Medicine from Saint Louis University School of Medicine in St. Louis, Missouri. Dr. Hariri completed his internal medicine residency at Cedars-Sinai Medical Center in Los Angeles, CA, after which he completed his specialty training in allergy & immunology at the UCLA West-LA VA fellowship program with pediatric rotations at Children's Hospital Los Angeles. He is a clinical instructor of medicine at the David Geffen School of Medicine at UCLA, where he teaches allergists & immunologists in training. Dr. Hariri is also an attending physician at Cedars-Sinai Medical Center, where he sees and treats patients with complex allergic and immunologic diseases. Resident physicians from Cedars-Sinai rotate through his clinic, where he teaches them about his specialty. Dr. Hariri has been published in several medical journals. He is a fellow of the American Academy of allergy, asthma, and immunology, as

well as a fellow of the American College of allergy, asthma, and immunology. Dr. Hariri also serves as an advisory board member for Lupus LA., where he lectures on allergic and immunologic diseases concerning patients with autoimmune diseases. He is also on the specialty panel for the Center of Undiagnosed Patients at Cedars-Sinai. Dr. Hariri is the Medical Director at Beverly Hills Allergy. He treats adult and pediatric patients with allergic rhinosinusitis, asthma, eczema, food allergies, immunodeficiencies, and various other skin conditions and allergic diseases.

Appointed to the list of Super Docs featured in Los Angeles Magazine.

Dr. Vicken Sepilian is a Reproductive Medicine specialist and is the founder and director of American Fertility Specialists Medical Group. He is double board-certified in Reproductive Endocrinology and Infertility, as well as Obstetrics and Gynecology. Dr. Sepilian has been an active member of the Armenian American Medical Society (AAMS) holding multiple leadership positions, including serving as the President from 2009 to 2013. Dr. Sepilian served as the Chairman of the 11th Armenian Medical World Congress and currently is the President of the Armenian Medical International Congress (AMIC), a nonprofit organization with chapters all over the world, with the aim of coordinating global efforts in improving healthcare in Armenia. Passionate about community education, in 2008, Dr. Sepilian launched the "Your Health" educational TV program aimed at sharing with the community the latest and most important healthcare topics. Since 2008, the show has been making house calls to tens of thousands of viewers helping educate them on preventative care and healthy lifestyles. In 2010, Dr. Sepilian, alongside other civic leaders and the former Mayor of the City of Glendale co-founded the Glendale Health Festival. Dr. Sepilian worked closely with city and state officials and local hospitals to organize this large-scale event with the aim to improve the health of the community. Dr. Sepilian is a strong believer that success and wealth are measured by life's experiences and human interactions and that true happiness and purpose are achieved by giving. Cherished memories include debates about life and death with Dr. Jack Kevorkian, delivering pens to students in villages in Sri Lanka and teaching chess to orphans in Nepal.
