Some of the exceptional talks we have lined up for you:

Carolyn Kassabian, MD, received her Bachelor of Science in Biology and graduated summa cum laude from UCLA. She subsequently attended the USC Keck School of Medicine, becoming a member of the Alpha Omega Alpha (AOA) Honor Society as a junior. In her final year of medical school, she served as the president of the AOA Gamma Chapter. Dr. Kassabian completed her dermatology residency at USC, where she served as co-chief resident in her last year. She is board-certified in dermatology and a fellow of the American Academy of Dermatology. Since 2006, Dr. Kassabian has been in private practice in Mission Hills, where she shares an office with her husband, Dr. Garbis Kassabian. She volunteers to teach the residents at USC as a Clinical Associate Professor of Dermatology. Her interests in dermatology include diagnosing and treating conditions such as acne, eczema, and skin cancer, as well as providing skin rejuvenation and anti-aging treatments. **Dr. Kassabian will be speaking on the following topic: "An Update on Skin Cancer."**

Julio Meza, MD, is an Addiction and Family Medicine Physician at the David Geffen School of Medicine at UCLA and a Psychiatry in Primary Care Certified Physician at UC Irvine. Dr. Meza was born and raised in El Salvador, where he graduated Cum Laude from Universidad Evangelica de El Salvador. After graduating from medical school, he matriculated as a surgery resident at the Hospital Militar Central in El Salvador and later decided to pursue his dream of becoming a U.S. licensed family physician. He completed his residency training in Family Medicine at UCLA in 2017 and later completed his fellowship in Addiction Medicine at UCLA in 2018. He subsequently joined the UCLA Department of Family Medicine faculty group and is currently the Fellowship Director for the UCLA Addiction Medicine Fellowship. Dr. Meza enjoys working with patients from all backgrounds and provides nonjudgmental, compassionate care to the patients he serves. **Dr. Meza will be speaking on the following topic: "Role of Naltrexone in Alcohol Addiction, Gambling Addiction, and Other Uses."**
