Some of the exceptional talks we have lined up for you:

Alfred Danielian, MD, FACC, FASE, is the Director of Sports Cardiology and Echocardiography at Las Vegas Heart Associates, an affiliate of Mountain View Hospital in Las Vegas, NV. He completed his Internal Medicine Internship, Residency and Cardiology Fellowship at the University of Connecticut Medical School, where he also served as Chief Medical Resident and Chief Fellow. He is a Diplomate of the American Board of Internal Medicine in Internal Medicine and Cardiovascular Disease, Diplomate of the National Board of Echocardiography, Diplomate of the Certification Board of Nuclear Cardiology, and Registered Physician in Vascular Interpretation. Dr. Danielian has a particular interest and passion for the care of the athlete's heart. He is an active member of the

American College of Cardiology Sports and Exercise Cardiology Section Leadership Council, serving as a leader in the field of Sports Cardiology with numerous peer-reviewed national and international publications. He is the team cardiologist for the Vegas Golden Knights, Las Vegas Raiders, Las Vegas Aces, UNLV Athletics, Henderson Silver Knights, Las Vegas NBA Summer League, Las Vegas Aviators, and Cirque du Soleil. **Dr. Danielian will be speaking on the following topic: "Sudden Cardiac Death in Young Athletes"**

Levonti Ohanisian, MD, received his Bachelor of Science in Sports Medicine from Pepperdine University, where he also minored in French. He then spent two years developing an MCAT preparatory curriculum, which he instructed for countless pre-medical students at the University of California, San Diego. Additionally, he developed MCAT questions for leading test preparation companies. Dr. Ohanisian earned his Medical Degree from Florida Atlantic University, where he served on the student council and numerous committees, graduating at the top of his class with AOA honors. Continuing his teaching spirit, he wrote USMLE medical board questions for leading test preparation companies. Currently, Dr. Ohanisian is completing his final chief residency year in Orthopaedic Surgery at the University of South Florida while simultaneously pursuing his MBA. He has published over 20 peer-reviewed scientific articles and presented his research at national meetings over 28 times. After completing his residency, he will pursue a fellowship in Adult Reconstruction at Stanford University. **Dr. Ohanisian will be speaking on the following topic: "What Does Being Armenian Mean in the Day and Age of Desiring Diversity in Medicine."**
