

JOIN US FOR OUR

Dear Colleagues,

The countdown has begun! We are just 6 weeks away from our highly anticipated 20th Annual Viva Las Vegas Weekend Getaway, taking place at the luxurious Wynn Hotel in Las Vegas. This year's event promises to be unforgettable, offering 15 Continuing Medical Education Credits and 6 Continuing Dental Education Credits.

Don't miss this incredible opportunity to enhance your knowledge, earn credits, and network with fellow healthcare professionals. Here's a sneak peek at some of the compelling talks and activities we have lined up:

Featured Talks:

Updates on Structural Heart Treatments and Complications

Gain insights into the latest advancements and challenges in managing structural heart conditions, with a focus on improving patient outcomes.

Understanding Changes to Risk Assessment and Management Strategies for Adults with Acute Leukemia

Learn about the evolving strategies in assessing and managing acute leukemia in adults, ensuring you are up-to-date with the best practices.

Updates in Diagnosis and Treatment of Parkinson's Disease

Stay informed on the newest developments in diagnosing and treating Parkinson's Disease, enhancing your ability to support affected patients.

Sudden Cardiac Death in Young Athletes

Explore the causes, prevention, and management of sudden cardiac death in young athletes, a critical area for sports and health professionals.

Gynecologic Cancers: Signs, Symptoms, and Treatments

Deepen your understanding of gynecologic cancers, from early detection to the latest treatment options.

Navigating Psychopharmacology in Pregnancy: Balancing Maternal Mental Health and Fetal Safety

Discover the best practices for managing psychopharmacology in pregnant patients, ensuring the safety and well-being of both mother and child.

Empowerment / Setting Patient Boundaries

Learn techniques to empower yourself and your patients, establishing clear and healthy boundaries in clinical practice.

What Does Being Armenian Mean in the Day and Age of Diversity in Medicine

Engage in a thought-provoking discussion about cultural identity and the pursuit of diversity within the medical field.

An Update on Skin Cancer

Stay current with the latest advancements in the diagnosis, treatment, and prevention of skin cancer.

Role of Naltrexone in Alcohol Addiction, Gambling Addiction, and Other Uses

Understand the versatile applications of Naltrexone in treating various addictions, broadening your therapeutic toolkit.

Beyond Weight Loss and Diabetes: Health Benefits of GLP-1's and Overwhelming Unknowns

Uncover the extensive health benefits of GLP-1's beyond weight loss and diabetes management, and address the unknowns in this rapidly evolving field.

This year's getaway also includes ample networking opportunities, allowing you to mingle and connect with fellow AAMS members in a relaxed and luxurious setting.

Rooms at the Wynn Hotel are limited, so act fast! Secure your spot and register now to ensure you don't miss out on this fantastic event.

Sincerely,

AAMS Executive Board

Wynn Las Vegas
